- C. The District recognizes the Association as the sole and exclusive collective bargaining representative under the Oregon Collective Bargaining act for all licensed teachers employed by the District except substitute teachers, tutors, temporaries, supervisors and confidential employees.
- D. Athletic coaching assignments are year-to-year seasonal assignments. Assignment, retention or non-retention in athletic coaching assignments is at the sole discretion of the District and is excluded from any provisions of articles 3, 4, 15 and 17. Salary for athletic coaches shall be set solely by the Board.

Article 2 — District Functions

- A. The Board has and will retain the rights and responsibilities to operate and manage the school system and its programs, facilities, properties and activities of its employees.

- B. Without limiting the generality of the foregoing (paragraph A), it is expressly recognized that the Board's operational and managerial responsibilities include:
 - 1. The right to determine the locations of the schools and other facilities of the school system, including the right to establish new facilities and to relocate or close old facilities.
 - 2. The determination of the management, supervisory, administrative or staff organization of the District and the hiring or promotion of administrative management or supervisory positions.
 - 3. The maintenance, control and use of the school system property and facilities.
 - 4. The determination of safety, health and property protection measures where legal responsibility of the Board or other governmental unit is involved.
 - 5. The right to enforce the rules and regulations now in effect and to establish new rules and regulations from time to time not in conflict with this Agreement.

 - 7. The determination of the financial policies of the District, including the general accounting procedures, inventory of supplies and equipment procedures and public relations.
 - 8. The creation, combination, modification or elimination of any teaching position.
 - 9. The determination of the size of the work force, the allocation and assignment of work to employees.

- C. The foregoing enumerations of the functions of the Board shall not be considered to exclude other functions of the Board not specifically set forth; the Board retaining all functions and rights to act not specifically nullified by this Agreement.

Article 3 — Grievances

A. Definitions:

1. For the purpose of this Agreement, a grievance is defined as a difference of opinion regarding the meaning, interpretation, or application of this Agreement.
2. The "grievant" is the person or persons who has/have a grievance and is making the complaint.
3. The "party in interest" is either the person or persons making the complaint or the person or persons responding to the complaint.
4. A "representative" is an individual chosen to speak for or advise a party in interest.
5. "Days" shall, except where otherwise indicated, mean working days of the bargaining unit during the school year. During non-contract periods, "days" shall mean Mondays through Fridays (excluding holidays).

B. General Procedures:

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems which may, from time to time, arise affecting teachers. Both parties agree that these proceedings will be kept informal.
2. The time limits referred to in these procedures are to be considered maximum. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure by the District at any level of the procedure to communicate the decision on a grievance in writing within the specified time limits shall permit the grievant to proceed to the next level.
3. Students will not be involved in the investigation process except where their role is one of "key witness" and their involvement is necessary for presentation of the case.
4. All parties in interest will process grievances after the regular workday or at other times which do not interfere with assigned duties.
5. All parties in interest have a right to a representative of their own choosing at any meeting at each level of this grievance procedure.
6. If a grievant chooses to pursue his/her claim through the court system, the Employment Relations Board or other outside agency, the grievance procedure

cannot be used for the same issues and any decision rendered under this procedure will become null and void.

7. There shall be no restraint, coercion, interference, discrimination, or reprisals by the District or the Association exerted on any individual or groups of individuals involved in the grievance procedure by reason of such participation.

C. Levels of Grievance

1. The grievant will first discuss his/her grievance with the immediate supervisor, with the objective of resolving the matter informally.

Such discussion must be requested within ten (10) days following the act or condition which is the basis of the complaint; or, if the grievant had no knowledge of said occurrence, at the time of its happening, then within ten (10) days of the first such knowledge.

2. If the grievant is not satisfied with the disposition of his/her grievance, he/she may file a written grievance with the Superintendent within fifteen (15) days of the discussion in Section C, 1 above. This complaint shall set forth the grounds upon which the complaint is based, the contract provision violated, the date of occurrence and the remedy sought. The Superintendent shall communicate his/her decision in writing within ten (10) days to the grievant. Within ten (10) days of the receipt of the decision rendered by the Superintendent, the grievant, if not satisfied with the decision of the Superintendent, may appeal in writing to the Board.
3. Appeals to the Board shall be heard within thirty-five (35) calendar days of receipt of the appeal. Written notice of the time and place of the hearing shall be given fifteen (15) calendar days prior thereto to the grievant. The parties' attendance at the hearing of appeal shall be restricted to the party in interest and representatives.

Within ten (10) working days of hearing the appeal, the Board shall communicate its written decision.

4. If the grievant is not satisfied with the decision of the Board, he/she may petition the Association and the District for arbitration of said grievance. The Association must approve any arbitration request to the District in writing. If the grievant and Association have complied with these requirements within ten (10) calendar days from receipt of the Board's decision, the parties shall jointly request a list of five (5) arbitrators from the Employment Relations Board. Each party shall alternately strike two (2) names from the list and the remaining person shall be considered selected. The striking shall be completed within ten (10) calendar days of receipt of the list.

5. The arbitrator shall schedule and conduct a hearing not open to the public and issue a written decision. The issue before the arbitrator shall be the original grievance as filed in writing. The authority of the arbitrator shall be limited to interpreting the specific provisions of this Agreement and determining if it has been violated by the District.

The arbitrator shall have no authority to alter, modify, vacate, or amend any of the terms of this Agreement or to substitute his/her judgment on a matter or condition for that of the District where the District has not negotiated and limited its authority on the matter or condition. The decision of the arbitrator, within these stated limits, shall be final and binding on both parties. No issue shall be subject to arbitration and no arbitration award shall grant any relief for any occurrence or action prior to the execution date of this Agreement.

The costs for the services of the arbitrator, including per diem expenses, if any, his/her travel and subsistence expenses and the cost of the hearing room will be borne equally by the District and the Association. All other costs shall be borne by the party incurring them.

6. All grievances shall be kept in a grievance file separate from the personnel file.

Article 4 — Rights of Employees

A. Due Process

No contract teacher shall be reduced in salary, reprimanded in writing or suspended without pay without due process. Due process for the purpose of this article is defined as:

- C. The dismissal, non-extension or non-renewal of a teacher shall not be governed by this article, but shall be subject to the Accountability for Schools for the 21st Century Law (ORS 342.805 to 342.934); Section B above does not apply to the assignment or retention of extra-duty positions or contract extensions.

An obligation of professional protocol also must be reciprocated by employees to administrators and fellow employees, non-licensed and licensed. Notwithstanding the provisions of this paragraph, bargaining unit members retain their rights as citizens during public board meetings.

F. Personal Life

The Board recognizes that the personal life of employees covered by this Agreement is not an appropriate concern of the Board except as the employee's personal life may affect work performance.

G. Personnel Files

1. Each employee shall have the right, upon request, to review the contents of his/her own personnel file exclusive of references/placement files received prior to the date of employment by this District.
2. At the request of the employee, the District shall furnish a copy of such records. The employee will reimburse the District for the actual cost of providing this service.

7. Evaluations, written disciplinary actions or complaints may be placed in the personnel file only if the teacher has first been given the opportunity to initial/sign the document.

H. Controversial Material

Unit members may introduce controversial material, provided that the material is relevant to the course content and curriculum.

I. Personal Opinion

In performing their teaching function, unit members may express their personal opinions on all matters relevant to the course content, provided, however, that when they do so they shall indicate that they are speaking personally and not on behalf of the school, its administration or the District.

- A. The Association may use school buildings for Association meetings after the regular workday with prior notification to the principal, provided the requested room has not been scheduled for another activity.

- B. The content of the teacher evaluations shall not be subject to the grievance procedure in Article 3.

Article 7 — Complaint Procedure

A. Determination of Merit

If a written complaint that meets the criteria enumerated below is received by a supervisor, the supervisor will notify the teacher within five (5) working days after receipt of the complaint. The supervisor will encourage the complainant and the teacher to discuss the complaint in an effort to mutually resolve the issue informally. If the complaint is not resolved, then the supervisor will attempt to resolve the complaint by conducting an informal investigation which may include a discussion of the allegations contained in the complaint with the teacher and other involved parties. A conference with the teacher shall occur if:

1. The supervisor intends to refer to the complaint in a subsequent evaluation;
2. The supervisor intends to place a record of such complaint in the teacher's personnel file;
3. In the supervisor's judgement, such complaint is sufficiently relevant to the teacher's performance as to indicate the desirability of a conference.

B. Conference

If a conference is to occur, it shall be held with the teacher within ten (10) working days after the complaint is made to the supervisor. At the conference, the teacher will be presented with the complaint in writing signed by the administrator or complainant. The complainant or the administrator shall present to the teacher all available information, including person(s) making the complaint, nature of the complaint, and the requested remedy, if any. The teacher shall have the choice to have a representative present at such conference.

The teacher will have the opportunity to submit a written response, which will be placed in the personnel file.

C. Limitation

Any complaint which is not the subject of a conference shall not be in the teacher's evaluation and shall not be used against the teacher in any subsequent action by the District.

 - 7 Non-Instructional Days for individual teacher preparation, one day at the end of the first, second, and third grading periods as well as two (2) days before school in the Fall and two (2) days at the end of the school year after the last class day for students. The two (2) days before school in in the Fall shall be free of meetings or workshops;
 - 2 Not less than two conference days;
 - 2 Not less than two professional development days.
- B. The teachers' daily building hours (teacher workday) shall be 7.75 hours including a ½ hour duty-free lunch period. The teacher's normal work week shall be forty (40) hours. Early release may be granted at the discretion of the District.
- C. The high school schedule for 2010-12 will include up to 8 periods. As part of the schedule each full time teacher is guaranteed one preparation period equal to one class period on the appropriate schedule. The preparation period will occur within the regular class schedule.

Elementary teachers may be allowed preparation time during the teacher workday.

Exceptions to the above are as follows:

1. Regular teachers will be asked by an administrator or designee to substitute for absent teachers under conditions which would not warrant the short-term hiring of a substitute. Advance notification of 24 hours will be given when possible.
2. A daily schedule change is made which would affect a teacher's prep time (i.e., assemblies, extended period schedule, etc.).
3. Teachers who are requested by the District to use their prep time to substitute for another teacher shall, at the teacher's option, be compensated on a pro-rated hourly District average teacher salary rate. The hourly District average teacher salary rate will be calculated by taking the bargaining unit salary schedule annual salary, dividing by the bargaining unit FTE and then dividing that figure by 1,520 hours. The rate will be established on the first working day of August for the ensuing school year.

Article 9 — Strikes

The Association and members of the bargaining unit agree that during the term of this Agreement, its membership will not participate in a strike, work stoppage, slowdown or interruption of school services and operations. This article shall not apply in the event of reopened negotiations on economic issues pursuant to Article 15.A and C, nor in the event of mid-term of contract bargaining pursuant to ORS 243.698.

- E. Teachers will be made aware of their sick leave accumulation status in a report provided by the administration at the end of each semester.

Article 11 — Sick Leave Bank

The Sick Leave Bank serves as a depository into which participating teachers may donate accrued sick leave time for allocation to other teachers. The purpose of this bank is to alleviate the hardship caused if catastrophic illness or injury forces the teacher to exhaust all sick leave and personal leave. Donations to the bank will be on a volunteer basis. It is not necessary to donate to the bank in order to request benefits from the bank.

Any teacher who wishes to transfer a portion of his/her sick leave must send a signed statement requesting the donation to the superintendent. Donations shall be limited to one day per certified employee; the total days in the Bank will not exceed the total number of certified employees. If not all teachers donate into the sick leave bank, the remaining days can be donated, one at a time, on a rotation basis.

Use of benefits from the Sick Leave Bank will be considered under the provisions of the Family Medical Leave Act (FMLA). All requests must be in writing and must be accompanied by a physician's statement that includes the beginning date of the condition, a description of the illness or injury, and a prognosis for recovery. All requests will be reviewed by the superintendent and a representative of the union. All requests must be in writing and will be acted on within ten (10) working days. Any requests granted will be at the discretion of the superintendent and union representative.

If the recipient returns to work before the received hours have been expended, the recipient must return those hours to the Sick Leave Bank.

Days remaining in the Sick Leave Bank at the end of this negotiated agreement will expire.

Article 12 — Assignments, Vacancies and Transfers

- A. By May 31st of each year, returning teachers shall be given their tentative teaching and extra-duty assignments, excluding coaching, for the following year, in writing. The parties recognize that resignation, etc., may necessitate changes by the District. The District will make every reasonable effort to minimize any changes in assignment after May 31st and to inform teachers of any necessary changes at least two weeks prior to start of the school work year.
- B. Vacancies, excluding coaching assignments, shall be posted for ten (10) calendar days. Vacancies are defined as a bargaining unit position not presently occupied by an incumbent which the District has determined to fill.
- C. Employees who are interested in filling a vacancy should file an application. The District will screen and evaluate internal District candidates before they screen and evaluate out-of-District candidates. Qualified internal candidates who possess the proper endorsement and proper authorization for the advertised position will be granted an interview in the final selection process. The District, however, has the sole discretion to determine which candidate will be hired.
- D. A teacher who is involuntarily transferred will have the right to request transfer to another position for which the teacher is licensed and which the District has posted as vacant.

Article 13 — Leaves of Absence

- A. Teachers shall be entitled to the following non-cumulative leaves of absence.
1. Two (2) paid days per year shall be granted when a substitute is available and for those times when leave is desired for personal commitments. The teacher shall provide advance notice and sign a form indicating that the leave is taken under this article.
 2. Up to five (5) days leave with pay may be allowed for bereavement of a member of the immediate family. Immediate family shall be parents, parents-in-law, spouse, children, grandparents, brother, or sister.
 3. An employee shall be granted leave with pay for services upon a jury; provided, however, that the compensation paid to such an employee for the period of leave shall be reduced by the amount of compensation received by the employee for such jury service, and upon being excused from jury duty service during any day, an employee shall immediately return to complete his/her assignment for the remainder of the regular workday.
 4. Leave with pay shall be granted for District-required appearance before a court, legislative committee, judicial or quasi-judicial body as a witness; provided, however, that the compensation paid to such employee shall be reduced by an amount equal to any compensation received by the employee as a witness fee.
 5. Up to three (3) days professional leave may be granted by the Superintendent without loss of pay for the purpose of visiting exemplary programs or for attending meetings or conferences relating to education.
 6. Other leaves of absence with or without pay may be granted by the Board for good reasons. Such requests shall be submitted in writing to the Superintendent.
 7. The District shall maintain its practice of accepting and considering requests for unpaid leaves of absence for up to one (1) year, including parental/adoption leave. Requests denied by the Superintendent may be appealed to the Board.
 8. Leave requests will be submitted on the District request form prior to consideration.
 9. Discretion on granting such leaves rests solely with the Superintendent/Board.
 10. All additional leave may be granted at the discretion of the Superintendent and/or the Board. Additional days may be with pay, without pay, or with substitute pay deducted.

 - 1. Mentors will be selected based on unanimous agreement between the mentor, the selected teacher and the superintendent. Mentors will be teachers in the Monroe School District. Participation is voluntary.
 - 2. Both the mentor and the teacher being supported will be granted a minimum of one hour/week of release time for the purposes of observation and collaboration. No other employee will have his/her workload increased in order to provide such release time.
 - 3. The District will pay all necessary expenses for both employees if extra meetings/trainings are required.
 - 4. The mentor will be paid an annual stipend of \$500.
 - 5. Mentors will not evaluate the teacher he/she is supporting.

Article 15 — Safe Working Conditions

- A. When the District is closed because of inclement weather or hazardous conditions, teachers shall not be required to report to work. However, the District reserves the right to schedule student contact make-up days. Teachers shall report for work on the student contact make-up days.
- B. ORS 654.010 requires that the employer must furnish a safe place of employment. ORS 654.015 prohibits an unsafe, unhealthy workplace.
- C. Employee claims for loss of personal property may be filed with the District's property/casualty insurance carrier.

This amount will be \$850.00 for the 2011-12 school year for a full time teacher.

Employees who have health insurance coverage from another source are not eligible to participate in the District's health insurance plan. For any employee with health insurance coverage from another source, the District will contribute the difference between the insurance cap and the cost, if any, of their health insurance plan to a tax-sheltered annuity plan. The District requires employees covered by health insurance from another source to submit documentation of such coverage and to notify the District if and when such coverage ceases.

The teacher will be responsible for any penalties or fines levied because of mis-information supplied to the District by the employee. The employee and the District will share equally in any back taxes, interests or penalties if the IRS were to rule that this practice makes any of these funds taxable.

The District has the right to choose carrier and coverage.

The District's obligation towards premium payments as provided herein shall cease on the first day of the month following the month in which the eligible employee was no longer employed by the District or prorated for time worked or the termination date of this Agreement, whichever is sooner. Employees who complete their contract obligations for the full contract year shall have benefits terminated on September 30.

- D. Advancement across the salary schedule columns will take place with the monthly payroll that falls no more than forty-five (45) days after the teacher provides the Superintendent with transcripts that document completion of the course credits required to qualify for advancement to higher columns. Advancement across the salary schedule shall not be retroactive but shall be prorated accordingly.

With the approval of the carrier, the District shall provide to laid-off employees insurance benefits, as established in this Agreement, for up to eighteen (18) months, provided that the employee reimburses the District in advance for the cost of the premiums for such coverage.

C. **Recall**

1. When any contract or probationary employee is laid off, the District will recall contract and probationary personnel, using the same consideration set forth in the foregoing layoff provisions. In the absence of any of those considerations, the last laid-off shall be hired first if they are qualified and licensed for the position.
2. The right to be recalled shall be continued for twenty-seven (27) months following the employee's last District duty day, unless the employee has resigned in writing earlier or has signed a teaching contract with another school district during the twenty-seven (27) month period.
3. Notice of recall shall be sent via certified mail to the last address given to the District by the employee. Employees shall have five (5) calendar days from the date the notice of recall is received, or ten (10) calendar days from the date the notice was mailed, whichever is the later date, to notify the District of their intent to return to the district.
4. The employee must thereafter report on the date specified by the District to start work, providing that this shall not be less than sixty (60) calendar days from the date the notice of recall was received or sixty-five (65) calendar days from the date the notice was mailed, whichever is the later date, or he/she will lose all recall rights. Such failure to notify the District of intent to return or to return to work within these limits shall be considered the resignation of the employee.
