*Serving the communities of Alpine, Bellfountain, Irish Bend & Monroe
Where it takes all the communities to educate a child.*

August 25, 2014

Dear Parent or Guardian:

Monroe Grade School receives federal funds for Title 1, Part A programs. MGS is a school wide Title 1A program that provides extra help in math and reading. This extra help must supplement, not supplant, the regular reading and math programs going on in the building.

Throughout the school year, we will be providing you with important information about Title 1A programs, federal rules and guidelines and your child's education.

You have a right to request information about the qualifications of the classroom staff working with your child. **All staff working with students in any educational fashion at MGS meet the "highly qualified" guidelines established by the federal government.** You may request information on highly qualified status by checking with the office staff at Monroe Grade School.

Information on certificated staff that can be provided to you includes licensing requirements, endorsements held and educational background. Classified staff working at MGS who work educationally with students either have completed at least 2 years of college and/or have passed a nationally recognized test demonstrating competency.

Each Fall, Monroe Grade School will have a Title 1A parent event that we encourage you to attend. Each Spring the parents and guardians will be surveyed on school and Title 1A programs to help plan for the following year.

Should you have any other questions regarding your child's education, please do not hesitate to call the district office at the number listed below.

Sincerely,

Russ Pickett

Russell D. Pickett
