

South Benton County Citizens Advisory Committee

Meeting Agenda

Wednesday, Feb. 22, 2017

7 p.m., Alpine Community Center, 25184 Webster Ave.

- A. Call to Order and Introductions**
- B. Approval of Minutes from previous meeting**
- C. Report from representatives of the Oregon Water Resources Department (OWRD) on the status of a ground water monitoring project in and around Alpine.**
- D. Discussion of a Benton County proposal regarding the potential to improve the Alpine Water District, which is reportedly plagued with water quality issues. County work crews recently established a well in the area as part of a county project. The well reportedly produces large amounts of high quality water, and the county is considering facilitating usage of the well for the water district. State money may be available to support the work, and the C.A.C. wants to know what the residents have to say about it.**
- E. Items from the public or committee members.**
- F. Other business.**
- G. Adjournment.**

Thank you for your consideration.

Sincerely,

George Wisner
